About This Game

ABOUT

Bacon is the most miserable, lonely creature you can imagine. He's different from the others. Like a butterfly in a cage full of moles. Until one day his world gets turned upside down as he accidentally destroys Father Time's hourglass. He can't die anymore and suddenly has to deal with the phantoms of his former lives. And while the forces of darkness try to take advantage of Bacon's newly acquired talent, he finds himself in the center of a massive conspiracy.

'To Hell With Dave' is a narrative-driven adventure platformer for the connoisseur of the absurd. Explore a world full of charming characters and twisted humor. If you're a fan of challenging action, wacky puzzles and foul language, this game is for you!

GAMEPLAY

'To Hell With Dave' is like a coop game, but you play it all by yourself. Every time you die, you create a ghost that is either helpful or makes your life more difficult.
